## SKILLS

**Technologies** - JavaScript (ES6), HTML5, CSS3, React, Node, Git

**Tools** - NextJS, Typescript, Express, MongoDB, npm, Jest, Cypress

## PROJECTS

### Daphne's Bar — React, Express, MongoDB

A single page app created with React for a home bar, located in Chicago. Users can browse a library of cocktail recipes, filter by ingredient, search by tags and view the weekly menu. Administrators can add recipes, delete recipes and upload photos. The project was designed with Figma. The backend is an Express server with a MongoDB database.

### Blog app — React, Redux, Express, MongoDB

A blog app that uses Redux as a state management solution. The frontend was bootstrapped with create-react-app and the backend is an Express server with a MongoDB database. Logged in users can view a list of blogs, create new blog posts, delete posts, view a list of users and like other posts.

### Portfolio — Next.js, Typescript

A website built with NextJS and deployed with Vercel. Designed in Figma.

## EXPERIENCE

### **Freelance classical singer, Self-employed, Chicago, IL**

**2013-present**

- Performed concerts, recorded albums and toured with various choral ensembles including the Grammy Award-winning new music ensemble The Crossing, Chicago Symphony Chorus, Grant Park Chorus, Music of the Baroque Chorus, Chicago Opera Theater Chorus and Chicago a cappella.
- Independently prepared complex musical scores, problem solved for unique technical challenges and tailored my approach to suit the projects specifications, as required.
- Maintained a busy schedule of teaching weekly voice, piano, guitar and drum lessons with several different organizations and dozens of individual clients.

### **Choir Director, North Park Covenant Church, Chicago, IL**

**2017-present**

- Led weekly rehearsals for 16-30 volunteer musicians. Directed flow of 2-hour sessions.
- Provided skill-building and constructive feedback while maintaining volunteer motivation.
- Guided a group with widely varied experience, temperament, and working style to produce high quality weekly musical performances, all while having fun.
- Collaborated with staff in weekly meetings on long-range planning, scheduling, recruiting, budget management and administrative duties.
- Helped leadership team produce virtual worship services during COVID-19.

## EDUCATION

**Full Stack Open 2022 - Online Web Development Course - University of Helsinki**

**North Park University, Chicago, IL — Master of Music, 2016**

**Moody Bible Institute, Chicago, IL — Bachelor of Music, 2013**
